Initiated in 1979, this honor is given to an individual who has volunteered countless hours behind the scenes to develop Exchange programs and impact the industry. While the award is presented to just one person, it represents and salutes the thousands of BX members who have donated their time and talents to the BX through the years.

A member of the Exchange since 2004, Kray has been an active volunteer for the Education and Events departments. Early on, he began his volunteer work as a speaker for the BX Student Outreach Program. Kray is also an instructor for several BX education classes including Construction Basics 101, Construction Drawings 101 and Project Management for Contractors. He is a 2010 graduate of the BX Rising Leadership Institute and has served as a trustee on the BX Scholarship Committee. Kray regularly attends BX events including the Annual Meeting, Open House, Young Professional programs and events as well as the annual Ohio Construction Conference.
